	<p><u>Scope of Contract</u> - Duplicate, package and distribute recorded cassette books in accordance with the Statement of Work and National Library Service for the Blind and Physically Handicapped (NLS/BPH) specifications 202, 203, 300, 403, 701, 703, and 1202 incorporated herein and as part of any resulting contract. Contract award will be expressed in titles and an extended price calculated by applying bid unit prices to quantities (cassettes and reels) based on the "average title". Total cost will be the controlling factor because actual number of titles assigned will depend on length of books selected and number of copies required.</p> <p><u>Notes</u></p> <ul style="list-style-type: none"> - Bids must be made on all items to be considered responsive. - For purposes of estimating unit costs, average quantities are stated based on historical data. Actual quantities will result from selection of titles after contract award. A standard title is estimated to consist of 1.8 cassettes in 800 copies for a total of 1440 cassettes, and also one copy of 1.8 intermasters. - The government will furnish the following material: recorded master tapes or compact disks (CDs) for each title, cassette mailing containers, and priority stickers. <p><u>BASE YEAR</u></p> <p><u>Cassette Duplication</u> - Include cost of all bookcards, address cards, cassette labels, braille container labels, container edge labels, packaging, handling, and shipping control copy to NLS/BPH. Express in cost per cassette.</p> <p>1 - 80 titles</p> <p>81 - 160 titles</p> <p>161 - 240 titles</p> <p><u>Open-reel Intermasters</u> Cost to produce one copy of 4-track open-reel intermasters for each title, including labeling, packaging, and handling costs. Also include cost of mailing to NLS/BPH. Express in cost per reel.</p>	n/a	cassette	_____
